IN THE AUTUMN

Skies of Gold reflect Thy Glory
Echoes in blazing hues of forest color.
The maple and the Oak pour out their praise
In yellow banners and bold red pennons
Against the Autumn wind,
Every hill sings of plenty.
Farmers eye their valleys with content;
All creatures of the woods lay in their store
Against the whiteness of the winter.
Goose and ducks pursue the vanquished sun,
Mindful that summer is past and gone.
The trees seek rest,
The creeks chatter hurriedly
Before December brings silence till the spring.
Fruit hangs full ripe upon the bough,
The corn stands sere and brown, hiding its golden treasure
Until the ingathering.
Deep in man's heart is thanks
For June's achievement, September's harvest,
Thine overarching care, the rain for thirsty field
The saps of earth,
All good things given with open hand
Unto the sons of men
Lord, it is a brave, good earth.
Teach us, in gratitude, how to number our days
That we may apply our hearts unto wisdom.

GOOD NEWS FOR MUSIC LOVERS

The San Fernando Valley Music Association Incorporated have a plan for this Fall and Winter that will bring much enjoyment to the music lovers of the Valley. The three concerts planned will bring nationally known artists to the Valley.

The first concert, presented at the Van Nuys High School, featured the famous Baritone, Igor Gorin. The next concert will be December 2nd, when the Los Angeles Philharmonic Orchestra, conducted by Alfred Wallenstein, will appear at the Canoga Park High School.

Under the able leadership of our own member, Mrs. Herbert Jago, the November 6th business meeting was held at the North Hollywood High School, and was a real concert in itself, with Dr. Richard Lert and George Huston conducting the third Act of "Merry Wives of Windsor", with members of the American Music Association of Pasadena singing the lead roles. Also spotlighted on the evening program was the colorful audition prologue of "Pirates of Penzance".

Tickets for the three remaining concerts are available, also memberships in the association may be secured by contacting any member of the S.F.V.M. Association. Prices are as follows:

- \$6.50- "Active Membership"- for those who have a musical background. (This entitles you to attend the Association's monthly meetings and the 3 remaining concerts).
- \$7.50- "Associate membership"- same as above, except that you need not have musical talent.
- \$5.50- "Concert membership". This entitles you to attend the three remaining concerts.

After the 1000 memberships have been sold the Association will close the expansion program.

Mrs. Zarn says that the Van Nuys Woman's Club is interested in assisting in the promotion of any cultural program, and she feels that this organization should be encouraged, as they have certainly done a lot to stimulate an interest in good music in the Valley.
